## What we offer.

### FOR STUDENTS: Internship in Germany

#### ERASMUS+ Short-term Mobility / Long-term Mobility (ErasmusPro):

Enhance your students' professional and language skills through an **internship abroad!** As WBS SCHULEN is a state-approved **vocational school operating as a host**, we can provide tailored **work placements** in various sectors, such as:

**Gastronomy professions** (Hotel technician, waiter, chef/cook, baker or pastry chef)

**Retail assistant**

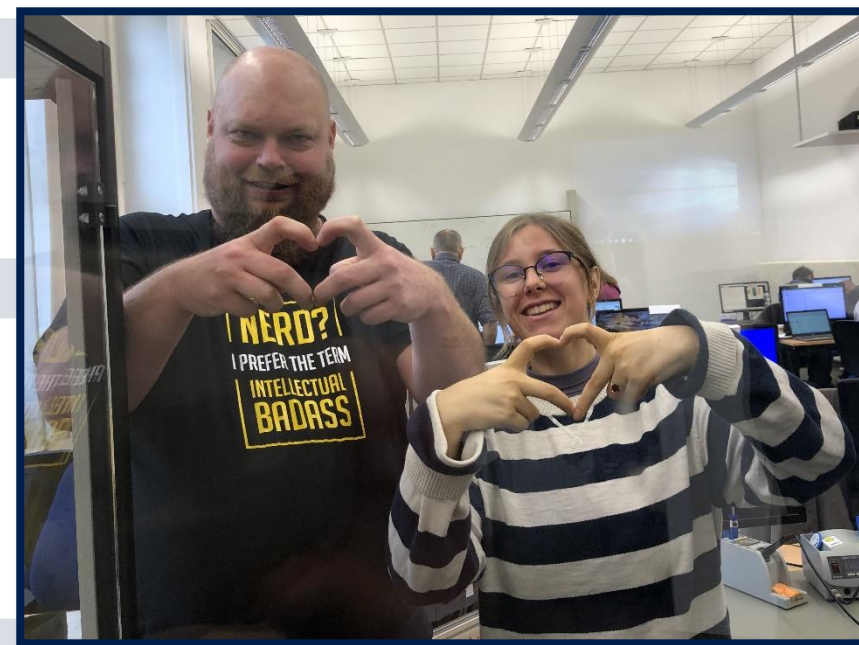

**Office Assistant**

**Care for elderly**

...or any **further profession on request.**

## What we offer.

### FOR STUDENTS: Practical VET- or student-training

#### ERASMUS+ Group Mobility / Short-term Mobility:

Experience **practical VET-or student-training** complemented by insights into **hands-on visits at German companies**. We offer a wide range of topics with in-house sessions available in English or German, conducted by our network of excellent trainers.

**Engineering** (Computer-aided design with AutoCAD and innovations in car industry, Automation with Siemens LOGO!, Robotics, Alternative and Renewable Energies)

**ICT** (Web development with HTML and JavaScript, SQL database programming, IT-networking, Game Development with Java, App Programming, AI in education and profession)

**Business** (Entrepreneurship – starting a business, SMART business – sustainability in entrepreneurship, Planning an advertising campaign, Online Marketing and E-Commerce, Transport Logistics)

**Health and Social Care** (applying first aid in emergency situations)

**Intercultural Competences** (Minds in Motion: Intercultural Learning through Art and Experience)

## What we offer.

### FOR TEACHERS AND STAFF: Job Shadowing

#### ERASMUS+ Job Shadowing:

Creating **exciting lessons** as a teacher thrives on practical experience! Have you always been curious about how German schools actually teach and how German companies actually work? Doing a **tailor-made Job Shadowing** provides these practical insights that perfectly fit into your lessons in your home country. Learn from various sectors about new concepts of teaching and new concepts of work. No matter, if you focus on technical professions or the health sector, a Job Shadowing always lets you learn!

**Study visits in German Schools** and Education Centers and

**Field trips in German companies** and institutions

## What we offer.

### FOR TEACHERS AND STAFF: Practical courses & trainings

#### ERASMUS+ Courses and Training:

Boost your team's skills with our **practical trainings for staff and teachers** together with teachers and staff from other countries. Enhance your professional development through hands-on learning and innovative teaching strategies.
